### Sidecar Experience LTD

**Salary:** £125 per day (9 hour day as standard)

**Location:** Morpeth and North London

**Hours:** Part time / ad hoc

**Deadline for applications:** Friday 26<sup>th</sup> May 2023

An exciting new opportunity to get paid to ride motorbikes! We are offering up the chance to become part of The Sidecar Guy's team as a Sidecar Experience Guide. We are looking for enthusiastic, personable, experienced motorcycle riders to join our team. You will first and foremost need to be a really good egg. Second, you'll need to have a motorcycle license with less than 6 points on it and be over 25 years old.

The role will mainly involve running sidecar experiences. You'll work as a private guide for small groups of 1-4 people. You'll need to be an okay motorcyclist but most importantly you'll need to have a fun personality and be able to keep calm under pressure. A positive attitude and a flexible approach to work is a must. You'll also ideally be up for supporting us on project and event-based work which could require travel and be up for supporting with maintenance and up keep of our bikes.

#### Experience required

- You must hold a full motorcycle license with less than 6 points on it.

#### Experience preferred

- OGA Level 2 guiding certificate or higher
- Experience riding sidecars before.
- Experience working as a motorcycle trail riding guide
- Experience working in an experience day/tour setting
- Experience working in customer service
- Basic knowledge of bike maintenance and happy to do it
- Good knowledge of local area and green lanes in local area

#### Person specification

- Positive attitude. Understands that a rainy day means more puddles to splash in!
- Level-headed under pressure
- Flexible in their job role and understand the need to muck in when needed to help outside tasks listed in this specification.
- Passionate about encouraging people to get involved with adventure travel
- Be willing to undertake training if not already OGA qualified
